

# WARKWORTH ROTARY WALKS

**This tramp combines Mount Tamahunga, Pakiri Beach and walks on private land on Kawau Island. We will provide challenge, variety and a wonderful unspoiled location.**

You will enjoy mountains, a coastal tramp, sea and bush views, and wander in native bush. This walk will be held over two days, and offers the opportunity to travel on our local icon, the sailing scow "Jane Gifford", for the return journey from Kawau Island.

*The weekend will be fully catered and all accommodation is provided.*

Finally, you will also be supporting the local causes of Warkworth Rotary, especially many of the Youth programmes that we support in the area.
